Announcement of production discontinuation

Firstly thank you for the continuous support in selling our products. Since their release, the FR-E700-SC-EC and FR-E700-SC-ENE series have sold successfully. However, as Mitsubishi Electric has already introduced successors, FR-E800-4 and FR-E800-EPB series respectively, we have to announce their official production discontinuation. The FR-E800 series has been designed with greater performance and features and will offer customers more value.
